

JOB DESCRIPTION

Job Title: Experienced Landscaper

Bushy Business Ltd are an RHS and APL awarding winning design, construction and maintenance company. For over 23 years we have been providing high quality hard and soft landscaping to domestic clients throughout the South East. We are active members of the Association for Professional Landscapers (APL) and are part of John Lewis Home Solutions and pride ourselves on providing high levels of customer service. We work with well-known designers and from in-house design work alike and are passionate about what we do and how we do it.

We are looking for someone with a proven track record for delivery of high-quality work, on time and to budget. You need to be a problem solver with a can-do attitude, be well presented and a proven team player. Your experience will ensure that you are capable of working under a supervisor, managing a small team for a short period or working alone. Depending on skills, experience and qualifications, you may in the absence of a Supervisor, be asked to manage activities taking place on an assigned landscape project, ensuring the safe delivery of quality services and excellent customer satisfaction. You will also be involved with employee training & development to ensure safe use of all machinery, equipment and tools and to encourage progression and improvement of skills. We actively encourage you to help train and bring on junior colleagues to raise the standard of the entire workforce by sharing your knowledge and experience to help them evolve, and of course you should get this from this from above and around you as well.
